EDUCATION

Brigham Young University Idaho, Rexburg Idaho — *Software Engineer*

September 2023 - Present

My major is software engineering but my principles are based around the Gospel. At BYU-Idaho I have learned that through faith, hard work, and dedication I can accomplish anything.

Python Institute

July 2023 - Present

I am enhancing my skills with python. Python is a highly sought language in today's computer world and I have set a goal to be an ace in the language. The goal is to complete any task given to me in the desired language and feel comfortable that I have the skill set and knowledge to do so in python.

Awards / Certificates

Python Institute - PCEP - (Certified Entry Level Python Programmer)

Boy scout of america "Eagle Award" - I earned my eagle at the age of 15
